PRINCIPAL'S MESSAGE

Last Bulletin we posted and/or emailed our **Achievements 2010 booklet** which lists the academic, sporting & cultural highlights from last year. In this Bulletin I refer you to our **Annual School Report (ASR)** which will be uploaded onto our website by the end of March. The ASR uses the data provided by the DET Educational Measurement & Statistical Assessment Directorate (EMSAD) to outline value-added growth, comparison to state in HSC, SC, NAPLAN and ESSA and comparison to Similar Education Groups (SEG). The ASR identifies where we have achieved our academic targets and where we will need to focus in 2011 to ensure continuous improvement in student learning outcomes. The ASR has data similar to the data provided by the Australian Curriculum, Assessment & Reporting Authority (ACARA). In NSW all Annual School Reports follow the same template. I commend the ASR to you for review of our strengths and our improvement targets for 2011.

On a different note **may I congratulate Dominic Bizzarri and Cody Lucas** for their selection in the Northern NSW Institute of Sport Trans Tasman Tournament in soccer. Well done Dominic and Cody.

It is always a pleasure to congratulate students and staff on their various successes, but please note that I do rely on staff and students to pass the information on to me so that I can include their successes in the Bulletin. Please continue to make this information available.

Congratulations also to **Ashleigh Wells** (Year 12, 2010) whose HSC Body of Work was selected to be hung in the Lake Macquarie City Art Gallery annual showcase of outstanding HSC major works from the region's Visual Arts

students. Well done Ashleigh, what an honour! Congratulations also to her teacher **Ms Renae Rogers (Farrell)**.

Congratulations to **Isobel Cootes (Year 10)** who was selected in the Westfield Australian Under 17 Women's National Training Camp as preparation for the Asian Football Confederation (AFC) U-16 Women's Championship Trial 2011. Well done Isobel!

Whilst we still have plenty of time ahead of us prior to the selection and induction of new student leaders 2011-2012. I thought it timely to publish our process for the **Selection of Student Executive** later in this bulletin. This is a rigorous and transparent process to select our school leaders and I encourage parents to encourage our prospective new leaders to get involved and apply when the process begins in August-September.

In conclusion, I will be taking 11 days Long Service Leave commencing 25 March. During my leave, **Mr Best** will be relieving Principal and **Mr Ostermann** will be relieving Deputy Principal. I know the school is in great hands! I look forward to coming back rested and ready for a very busy Term 2. On assembly this week I informed students in Years 7 to 10 that in Terms 2 & 3 I will do class visits to look at bookwork. Student notebooks are an integral part of their learning process and as such I expect books to be covered, legible, with margins and the day's date. The notes need to be sequential with homework completed. I also said that 'doodles' and graffiti are evidence that the student was not focused in class and that needs to change. A copy of our bookwork policy is included in the Bulletin. I look forward to spending time in classrooms next term to see evidence of students' learning.

Dr Sharon Parkes
Principal

1st March 2011.

Dear Dr Parkes

I am writing to you to let you know what a great experience my daughter Jody Poole Year 12 had in January on the International School Volunteers overseas trip (ISV). The program was extremely well organised and professionally run and it is an experience she will remember for the rest of her life. The 15 students worked farming, sanding, painting and working with 130 Burmese orphans in a Children's home in Thailand for 2 weeks followed by an adventure site seeing tour. They experienced Thai cooking classes, ziplining amongst trees, an overnight hike through the jungle meeting up with tribes on the way and visited the Bridge Over the River Kwai Bridge and Death Valley. Jody made many lifelong friends and learnt a great deal about other cultures and at no stage on the trip did she feel anything but safe.

Jody learnt of the ISV program through your school newsletter and I thought I would let you know of the outcome in case you have enquiries from other students.

Yours Sincerely

Maxine Poole

WARNERS BAY HIGH SCHOOL P & C ASSOCIATION

The next meeting of the Warners Bay High School P & C Association will be held in room H1 on Tuesday 24 May at 7.00pm for a 7.30pm start. At 7.00pm we will again start with some social time where everyone can talk over a drink and something to eat.

It was encouraging seeing such a great roll up at the AGM in March and even better having people enthusiastically volunteering to get involved by taking on positions. I would like to thank all of the outgoing office bearers for their work over the last twelve months and welcome the new executive. Your P&C Executive for 2011 is:

President	...	Phillip Jones
Vice President	...	Janine Chock
	...	Jill Lenton
Secretary	...	Vacant (Position will be filled at our May general meeting)
Minute Secretary	...	Jodi Booth
Treasurer	...	Tonia McKenzie-Low

I look forward to working with the new executive to ensure we are able to continue to provide additional faculty resources not normally available to the school.

We will be continuing our series of presentations at our monthly meetings. We would like to welcome a member of the English faculty who will be doing a presentation on 'Changes to NAPLAN Text Type'. Why not come and use this opportunity to get additional information on school programs and get to know the Principal, some of the school executive and other parents in the relaxed atmosphere of a P&C meeting.

The canteen, which is the P&C's main income source, has had another smooth start. Donations from the canteen have enabled the P&C to fulfill its first term commitment and provide a bonus donation to the school. I would like to thank Wendy, Jenelle and the dedicated volunteers for their efforts. If you have a free day once a month, why not volunteer on the canteen. New volunteers are always welcome.

We look forward to your continued support and hope to see you at our next meeting.

Phillip Jones - WBHS P&C President

LANGUAGES

Japan Quake

This has been a summer of world disasters that we will not forget for a long time. The earthquake and subsequent events in Northern Japan have impacted on all of us, not the least being our friends and colleagues in Japan. It made us realise how many Japanese people and how many places in Japan we are linked to, from our exchange students in Hakodate on the top island, through to our sister school in Asakawa (Fukushima), our long standing sister school Suginami in Tokyo, down to our new link in Kyoto, and even to the bottom island when we used to host students from Hakata. Luckily, so far there has been no loss of life that we are directly related to. However, through copious emails and student interaction on Facebook we know that all Japanese have experienced, and still are suffering. It puts our disappointment about the possible postponement of the September trip to Japan into perspective.

Thanks to a great idea from Mrs Karen Holmes we have put together a "Book of Good Wishes" to send to our sister school Suginami HS in Tokyo. A big thank you to all students who paused, thinking carefully before writing something in the book. And also to all the students, teachers and parents who contributed to the appeal.

Asian Literacy Grants

1. Warners Bay High School Grant:

We have been lucky to receive a grant to enable us to employ two tutors this year. We have been in contact with Eri Takeuchi in Japan and she has agreed to return for a third year to help with all our classes and possibly meet some of our primary school students to introduce them to some Japanese through elective GATS classes in Term 3. We have also just met Li Na, a young woman from Shanghai here studying for a MBA and living in Eleebana who will help us with Chinese in the school community. We've been very fortunate to come across two such competent and friendly young people who are more than happy to help us.

2. Regional Asian Literacy Grant

Mrs Sherwood has been busy with other experienced teachers of senior Japanese and Chinese writing two new courses: Japanese Workplace Beginners and Chinese Workplace Beginners. These courses could be of interest to those students studying Retail, Hospitality and Travel and Tourism who would like some basic language and cultural etiquette skills that relate to the work environment. This will be offered in several schools across the region next year, subject to approval from the Board of Studies.

Kelver Hartley Bequest Program

Through the generosity of this University of Newcastle bequest, we have already started Café Bla-Bla on Monday afternoons for Year 12 French where our students converse

with Remy, a native speaker experienced in working with senior students. Year 10 French will go to the Year 10 French Activity Day on 28 April for a day of immersion and fun filled activities at the university. We're looking forward to the skit they've prepared for the Star Academy session (French version of Idol). Later on in June, Year 12 French will also be attending a HSC Speaking Skills Day. All this has been arranged with the help of the two French lecturers at the University, Marie-Laure Vuaille-Barcan and Alistair Rolls, who are looking forward to meeting our students.

Future Trips

The first parent meeting for the France '12 trip will be held in Term 4. Students and parents should be aware that students are invited to participate on all our overseas trips after they have completed an application. Students must prove themselves worthy of representing WBHS and Australia when overseas with the school.

Year 10 students who are interested in doing Chinese Beginners in the Preliminary Course 2012 and also travelling to China on a school trip (Beijing, Great Wall, Tianamen Square etc), in April, 2012, should introduce themselves to Mrs Biram in the Languages Staff room as we need to ramp up on our organisation for this trip. A draft itinerary and basic costings have been done. It is expected that the first parent meeting for this trip will be in Term 2.

Lynne Sherwood. Head Teacher Languages.

TAS REPORT

It's been a busy, exciting time in TAS during first term this year.

Year 7 students have been involved in a new introduction to Technology program called 'To Infinity and Beyond' which involved them developing a rocket from recycled materials which can support an 'eggstronaut' (egg). Students were assessed on the 'eggstronaut's' fate as well as the distance it travelled. This design project also required students to research and complete a persuasive text on a designer of their choice.

Students in Child Studies, Industrial Technology Automotive, Industrial Technology Timber, Food Technology, Textiles Technology, Graphics Technology and Information and Software Technology, have been responding well to their design briefs and have been producing some brilliant work. Examples of these are shown below.

Preliminary and HSC students in Exploring Early Childhood, Software Design and Development, Information Processes and Technology, Design and Technology, Hospitality, Engineering Studies, Food Technology, Industrial Technology Metal and Engineering, Industrial Technology Timber, and Textiles and Design are reminded to buckle down in preparation for the challenges ahead. Any students who wish to access extra advice or assistance with course work should contact their class teacher.

TAS Faculty

CHES AND CHECKERS AT WARNERS BAY HIGH

Chess Knockout Team

Our School Chess Team has won their first match in the first round of the NSW Junior Chess League State Knockout Competition. All members of the team played brilliantly, to give us a 4-0 win over Belmont Christian College. Our team is: **Luke Sunol, Tyler Rodgers (Year 12), Nic Blarasin (Year 10) and Hamish Broadhurst-Tynan (Year 9)**. We wish the team well for their future matches.

School Competitions for Chess and Checkers

These two competitions will start in Week 1 of Term 2, with Chess to be played on Thursdays and Checkers on Fridays so students can enter both competitions. All students are encouraged to enter, even beginner level players. We will run different divisions to cater for players with differing levels of competence and experience. Students should enter by writing their name on the sheets with Ms Bright by Wednesday, 6 April (last week of Term 1). Social matches are being played all Term 1 on Thursdays for Chess and Fridays for Checkers.

Chess Coaching Sessions

We are extremely grateful to David Absalom (ex-student and previous School Chess Champion) and Mr Doug Wright who have been giving up their time to run fun Chess coaching sessions in our Library at lunchtimes on Thursdays. All students are welcome to join these sessions.

School Chess Team (L to R)-

Luke Sunol, Hamish Broadhurst-Tynan, Ms Sue Bright (Co-ordinator), Nic Blarasin and Tyler Rodgers.

CAREERS

Mr White will be on Long Service Leave for Weeks 1 – 4 next term. **Mr Alexander and Ms Stoddart** will be covering his Careers portfolio during this time. Both have a lot of experience in dealing with Career options available to students, so if you are not sure of something, please feel free to contact them.

Work Experience

Many Year 10 students are undertaking Work Experience this year as a way of gaining insight into future careers. Year 10 students can only undertake Work Experience during school terms, and only during weeks when they do not have an Assessment task. If a student identifies an employer, they need to complete the Work Experience application kit that is on the year 10 section within the Careers Group on MOODLE. Year 11 can only undertake work experience during school holidays. Year 11 students will need to see Mr White in order to co-ordinate the program. Students **CAN-NOT** be paid for Work Experience!

RSA course

The RSA (Responsible Service of Alcohol) course running on Wednesday, 27 April is now full. If you have missed out, Mr White can suggest some local RTOs to contact about courses running in the future.

RCG course

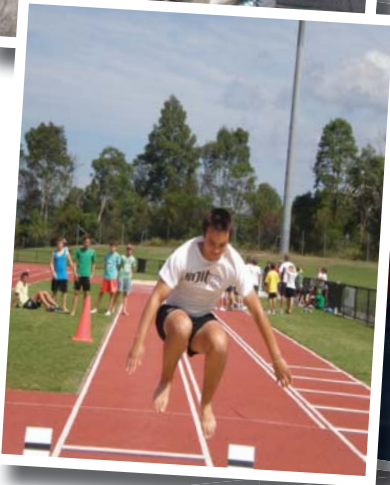

A Responsible Conduct of Gambling course will be running on Monday, 18 July at the school. Mr White will issue notes during Term 2

Year 10 Careers

Mr White has outlined to students during their Career lesson in Term 1 some very useful Careers websites. The links are on the Year 10 section of MOODLE if you would like to see this information.

Mr White
Careers Adviser

Athletics Carnival 2011

A heart filled sun

The sun glittering high in the sky
 Beating heart deep in the universe
 Silent and calm yet so alive
 To pass to the darkness of night
 Asleep until morning break
 To light up valleys on the earth below
 The sun is lying
 In a field or clouds
 The beauty of this calm
 Silent once again
 To pass today's end
 In the sky
 A sun
 A heart
 by Beth Dolbel

Untitled

Silent rain, so giving yet so poor
 Unto the rooves, fields, mountains
 Less the clouds, diminishing in their splendour
 Glittering hens have no business but to
 eat, their will is weak and untrained.
 However they are touching in this naivety.
 This house of rock shall see through another rain,
 it's garment of mortar crumbing like bread.
 The soul of it is untouched within
 A smokeless chimney cuts a lonely shadow.
 Ours is never lonely, but sweet and forgiving.
 Towers of onions fall for the joists, their scent
 buried deep into the walls
 Beautifully, the epitome of home.
 by Ellen James

ROTARY AUSTRALIA & NEW ZEALAND STUDENT EXCHANGE 2012 PROGRAM EXPRESSIONS OF INTEREST OPEN

This program is designed for 14-16 year old students (In Year 9 or 10 in 2012) to experience a true 'exchange' with a family in New Zealand. Local Students are matched with a New Zealand student and travel to New Zealand to attend school during Term 2, 2012. Both students then return to Australia and attend school here for Term 3, 2012.

The students' family hosts the NZ student and includes them in their normal family life.

This is an exciting way to experience another culture with the support of Rotary.

More information and expression of interest forms can be found at www.ranzse.com.au

Expressions of interest close 30 June 2011

BOOKWORK AT WARNERS BAY HIGH SCHOOL

Whilst we understand that a student's workbook reflects their individuality and personality, we also believe that a student's workbook is a reflection of their commitment to learning.

Workbooks are the basis for student revision and preparation for assessment and as such, the standards expected for students' workbooks at WBHS are:

1. **Legibility**

In an external examination the marker assesses student knowledge through the written response. Writing that is in pencil, illegible or poorly constructed makes it difficult for the marker to read and this may affect the student's mark.

Students should preferably use blue or black pen, not pencil, unless specified by the teacher or examination rules.

If using fluorescent pens, the writing needs to be easily read

2. **Lesson notes** should have **headings, key words highlighted** and each lesson should have the **date**, (so that missed work can be easily copied). Sentences with correct capitalisation and punctuation should be used unless the teacher requests another format.

3. **Bookwork should be complete** with evidence of any corrections (as per teacher's comments) and organised in sequential order (no gap pages).

4. **Evidence of student pride in their work**, no graffiti, sheets glued into appropriate sections, name on book and preferably a cover (to protect the book).

Warners Bay High School Executive and Dr. Sharon Parkes
Re-issued February 2008

WARNERS BAY HIGH SCHOOL

"Quality Education for All"

Principal: Dr Sharon Parkes

SELECTION OF STUDENT EXECUTIVE – WARNERS BAY HIGH SCHOOL (WBHS) POLICY FOR SELECTION

Rationale

The selection of student leaders at WBHS is based on the merit principle. Applicants demonstrate their skills, experience and passion for leadership through a competitive process involving a panel of school staff and outgoing Year 12 Student Executive.

The process is designed to allow young leaders to outline their leadership at school and community level and to articulate how they would contribute to the school leadership team for school improvement.

Once selected on merit, the new executive team participate in a one day leadership conference led by the Principal and Head Teacher Student Welfare, and joined during the lunch break by Year 10 and Year 11 Year Advisers and the Head Teacher Languages who is responsible for School Ceremonies, Assemblies and the induction of Student Executive. During the day all participants work together to outline their leadership stance and values platforms to come to a shared understanding of leadership concepts and principles. During the workshop students also formulate their leadership action plan for the next 12 months.

At the end of the workshop the new Student Executive, Year Advisers, Head Teacher Languages, Head Teacher Student Welfare and Principal vote for the Captains from the Year 11 cohort. This democratic process ensures that voting for the captaincy positions is based on informed choice in terms of what the students have articulated during the day in relation to their leadership capacity and skills.

This process avoids the 'popularity vote' process where students interested in the captaincy positions present a 2-3 minute speech to a year group outlining their leadership skills and contributions to school life.

Process:

1. Applications are sought (in August) from interested students in Years 10 and 11 for the period commencing September of the current year to September the following year. A one page application form is provided where students outline their leadership skills and experiences and how they could contribute to the leadership of the school.
2. Applicants are shortlisted by a panel comprising the relevant Year Advisers, Head Teacher Student Welfare, three outgoing Year 12 Student Executive and the Principal.
3. Shortlisted applicants are briefed on the interview process by the Principal. Unsuccessful applicants are provided with feedback by the Principal and/or Head Teacher Student Welfare.
4. Year 10 and Year 11 applicants are interviewed in year groups by a panel comprising one of the relevant Year Advisers, three available Year 12 Student Executive and the principal. At the end of each day all interviews applicants are debriefed by the panel and the outgoing School Captains. Unsuccessful applicants are provided with feedback by the Principal and/or Head Teacher Welfare.
5. A Leadership conference is conducted in early September with the new Student Executive led by Head Teacher Student Welfare and Principal, being joined at lunchtime by Year 10 and Year 11 Year Advisers and Head Teacher Languages. Captains from the Year 11 cohort are elected. All other Year 11 nominees become Vice Captains.
6. The Student Executive Induction and handover of leadership by the outgoing Student Executive occurs during the Year 12 Graduation ceremony in September each year.

Structure of the Student Executive

- Eight students chosen on merit through interview from Year 11.
- Six students chosen on merit through interview from Year 10.
- Two students elected to represent the Student Representative Council (SRC) from Year 10 or Year 11.

Numbers may vary in relation to the merit selected students in Year 10 and Year 11 depending on the calibre of applicants.

Dr Sharon Parkes
Principal
September 2010

UNIFORM SHOP TALK

SENIOR JERSEY ORDERS

Senior jerseys should be here by the end of Term. I will put out a message in roll call and at the Year 11 assembly to let everyone know when they are ready for collection.

SOCKS

Have all your white socks been eaten by the washing machine? (I'm sure that's what happens to ours). If so, come in and buy half a dozen pairs and you won't have to worry about matching them up anymore because they all look the same! No more coming to school wearing odd socks. We have three sizes available so there is a pair to fit everyone.

TRACKPANTS

Trackpants are unisex and come in all sizes. They are warm and very comfortable. They can be worn all day with no need to get changed for sport.

STOCK

We have absolutely everything in stock in all sizes, so now is the best time to get fitted out for the rest of the school year. If there is something missing from your school uniform, there are now no excuses for not having it.

PHONE ORDERS

If you are unable to get to the Uniform Shop during opening hours, feel free to phone in your order and pay by credit card over the phone. Your child can then come in, try on and collect their order when the shop is open. Alternatively we also accept cheques made out to Daylight Sportswear Pty Ltd.

RETURNS & EXCHANGES

All returns and exchanges must be in original condition, not washed or worn and be accompanied by the original sales docket. Items must be returned or exchanged within three months of purchase.

Yvonne Wade
Uniform Shop Manager

School Ties

are for sale at the School Office for those students / parents who need to make an urgent purchase outside Uniform Shop hours.

School ties must be worn to all formal assemblies and on excursions where students are expected to wear their uniform.

\$20 cash, cheque or credit card only
- no EFTPOS available.

Cheques to be made out to Daylight Sportswear Pty Ltd.

Thank you.

S.C.C.E. SCHOLARSHIPS 2011

OPEN TO ALL YEAR 10 STUDENTS AUSTRALIA-WIDE!
S.C.C.E. is offering Year 10 students the truly once-in-a-lifetime opportunity to win

**ONE FULL SCHOLARSHIP*
and TWO HALF-SCHOLARSHIPS**

to join an exchange program departing September 2011 for a semester (approx. 5 months) to one of the following countries:

• France • Germany • Italy • Spain

* The total value of each scholarship is calculated according to S.C.C.E. 2011 program fees as listed in our 2011 catalogue

Each scholarship includes:

- International transportation on Singapore Airlines
- Domestic transportation in host country
- September 2011 - January 2012 (approx. 5 months) exchange program:
 - Selected volunteer host family
 - Compulsory attendance at local school
 - Full support 24/7 in host country
 - Professional support from S.C.C.E.
 - Special complete insurance cover worldwide

See program components as listed on page 28 of our current catalogue.

Applicants must:

- Be currently enrolled in Year 10 at an Australian secondary school
- Have at least a B grade average for the last 2 years
- Be motivated for foreign exchange and willing to become fluent in the local language
- Fulfil selection criteria as deemed necessary by S.C.C.E.

Winners will be announced on April 15th 2011.

Fight the Bite!

Mosquitoes are going to be out in force this summer. Mosquitoes can give people serious diseases like Ross River Virus, Barmah Forest Virus and Murray Valley Encephalitis. Follow these 4 simple steps to protect your family from mosquito bites.

- 1 Try and avoid areas where mosquitoes are common, like swamps and marshlands.
- 2 Wear loose, long and light coloured clothing, especially around dusk and dawn when mosquitoes are most active.
- 3 Wear mosquito repellent. Use brands that contain either DEET or Picaridin, apply to all uncovered skin and follow the label directions.
- 4 Get rid of mosquitoes around the house by using plug-in insecticide mats, flying insect knock-down sprays and fly screens. Remove any water-holding containers outside the house where mosquitoes could breed.
