

We finish Term 2 in the midst of some very exciting programs and initiatives.

In the last week of term renowned author, **Celia Lashlie**, presented a workshop for the executive and staff from faculties who could be released from teaching Tuesday afternoon. Celia also delivered an address to Year 9 students focusing on accepting the consequences of decision making and learning from your experiences, as well as a parent workshop on Wednesday night. Celia has a wealth of experience to support teachers, students and parents to work effectively through the adolescent years. Her messages, delivered through powerful stories, are thought provoking and often confronting. I hope the various audiences found Celia's message valuable and inspirational.

I first heard Celia Lashlie speak at the 2010 Annual Secondary Principal's Conference which was being held in Wollongong and thought that her powerful stories would be valuable for our staff, parents and students. It has been quite a coup to have Celia, who lives and works in New Zealand, include our school in her busy itinerary. It is not always possible to attract such high profile speakers to work in our school community.

Following a big finish to Term 2, we plan to have a big start to Term 3 to celebrate NAIDOC Week with the unveiling of our Message Sticks by the local Aboriginal community. During Term 2, through the ongoing co-ordination of Ms Kath Teagle (CAPA staff), our Aboriginal students researched and developed a local story for our school and the community. With the help of Aboriginal artist, Cherie Johnson, three message sticks tell our story for students and community. The message sticks, now established near the COLA on the Myles Avenue side of the school, will be officially unveiled on Tuesday afternoon, 18 July. The

unveiling will be followed by a light lunch and a Junior Aboriginal Education Consultative Group (AECG) meeting with Aboriginal students and school representatives from our school and partner primary schools. This will be the second time our high school and partner primary school Aboriginal students have met as a junior AECG group. It is hoped the students will feel more connected and supported across the Local Management Group (LMG) through these initiatives. Thank you to everyone involved in the initiative, in particular **Ms Kath Teagle** for her tireless efforts to support and engage our students.

I am pleased to share more great news. Congratulations to all 40 students who participated in Starstruck, in particular our two solo vocalists **Elise Jensen (9)** and **Laura Robertson (12)** who demonstrated their outstanding talents. Thank you to **Ms Rhonda Grant** (English) for her ongoing work with our Starstruck dancers and **Mr Ashley Forbes** for assisting our vocalists. Their commitment to donating hundreds of hours of their personal time to provide opportunities for our student is very much recognised and appreciated.

Congratulations to **Brittany Talarico (10)** and **Abbie Johnson (10)** who represented the Charlestown Under 17 Netball team at the NSW State Age championships over the June long weekend. The team came equal 13th in a strong and intense competition. Congratulations also to **Jordyn O'Neill (10)**, **Jenna Bath (10)** and **Georgia McVey (11)** who represented Lakeside Netball and came 4th in Division One. Whilst such competitions are not co-ordinated through the school, it is always a pleasure to celebrate the successes of our student in their sporting pursuits.

Congratulations to **Jack Williams (11)** who was selected by the Australian Paralympic Committee to compete for the Federation of Football Australia in the Netherlands in

June. What a wonderful opportunity for Jack who will play Football Seven-a-side matches in the cities of Assen, Emmen and Hooerveen. Wow! What opportunities open up for our young students. Following the same theme of outstanding opportunities, congratulations to **Matthew Skinner (11)** who joins the elite sports program to compete in the European Tour with the Australian Open Team which will travel to France and Germany before moving on to the Netherlands to play in a FINA tournament in September. Well done Matt and good luck!

Congratulations flow also to **Dominic Bizzarri (11), Reece Papadimitrios (9) and Jaiden Walker (9)** who have been selected in the NSW Institute of Sport Soccer Squad. As elite athletes these young men are required to show dedication and commitment to achieving their very best on and off the field whilst keeping their academic pursuits “bubbling along” as well. Congratulations boys! Well done!

Recently I received a lovely letter from Mr Dennis Bartlett, Warners Bay Football Club, who passed on his thanks and appreciation to seven of our boys who assisted the Warners Bay Public School Soccer Team during their recent carnivals. Thank you to **Cameron Lodge (8), Josh Chock (8), Jake Shoesmith (8), Jake Hamilton (8), Brayden Asser (8), Ethan Reay (9) and Cordell Webb (8)** for being such fine ambassadors for our school.

To finish, I would like to ask a favour - we are raising money to purchase a school mini bus for small school excursions and sporting teams to use to offset the cost of hiring larger buses. We have about \$7,000 gained from lots of efforts from students and staff but what we need is a **big boost** of funding or sponsorship.

Warners Bay High has lots of successful graduates - my request is, through your connections and networks, to find a large sponsor for our school bus so that it can become a reality. I know there must be someone or some business “out there” who would love to sponsor out school to purchase a school bus! There’s the challenge! Do you know anyone who can help? Our kids deserve what many other schools have. Can you help? If so, please let me know by phone or email.

Let’s see what we can do.
Thank you

Dr Sharon Parkes
Principal

Thank you to Cutting Edge Tree Maintenance for their generous donation of mulch to the school.

WARNERS BAY HIGH SCHOOL P & C ASSOCIATION

The first meeting of the Warners Bay High School P&C Association for Term 3 will be held in the library on Tuesday 26 July at 7.00pm for a 7.30pm start. What a great turn out we have been having at our meetings so far this year. It is fantastic to see so many parents getting actively involved in their child’s education and taking the opportunity to express their opinions regarding school issues.

Parent support makes it easier for the P&C to achieve its objective of supporting the Principal and Staff in the delivery of a high quality education for all those attending the school thus enabling each student to achieve his/her best possible educational outcome. The fund raising, through the operation of the school canteen, enables us to provide additional teaching aids, facilities and equipment for the benefit of all students.

The school canteen is operating smoothly again this year. The donations from the canteen have enabled the P&C to fulfill its first and second term commitments plus we have been able to provide a bonus donation to the school. This will enable the P&C to fund additional items in this year’s budget. I would like to thank Wendy, Jenelle and the dedicated volunteers for their efforts. The canteen is always looking for additional volunteers. If you have a free day once a month, why not give Wendy a call.

The vacant P&C secretary position was filled at the last meeting. We would like to thank Shayne Worthington for accepting the position and welcome her to the executive. We look forward to working with Shayne over the next twelve months.

We would like to extend an invitation to all to attend our next meeting. We will be continuing our series of presentations at our monthly meetings. Come and use this opportunity to get to know the Principal, some of the school executive and other parents in the relaxed atmosphere of a P&C meeting. Your support will help to ensure the success of Warners Bay High School

We look forward to your continued support and hope to see you at our next meeting.

Both our music and dance students have been working with the STARSTRUCK Team over the last term, culminating in fabulous performances in Week 8. Congratulations to our Year 11 Drama students and their teacher **Mrs Sandra Monk**. They have worked hard this past term devising a performance for the 2011 Mental Health Mind Play competition. The students have created a play that explores Autism Spectrum Disorder. Through research they have developed a clear understanding of the condition and this has helped them in their performance, which highlights not only the effects of Autism, but also the support available in the Hunter New England Health area. On Sunday, 26 June the following students auditioned for the competition at the Hunter Theatre. The students were successful in the audition and will perform in the Grand Final at the Hunter Theatre on Saturday, 23 July. Well done and good luck for the next phase of the competition.

Our first MAD night for 2011 was a huge success and I would like to take this opportunity to thank all involved, from the students to the staff and the community who attended our performance and exhibition evening. Without the support of everyone it would not happen. It is a wonderful experience for our students and an important part of the creative process. Congratulations to **Jessica Schembri, Elise Jensen and Joel Manning**. These three students won the inaugural Warners Bay High School Printmaking Prize which was judged by Mrs Rachel Noonan, HT Social Science, who is also a printmaker.

We are looking forward to the resolution of our HSC Bodies of Work, our HSC Drama performances and our HSC Music performances. These will be on display at our HSC MAD night on Tuesday, 30 August starting at 6.30 pm.

DEPUTY PRINCIPAL'S REPORT

High Energy Drinks

Over the last week a number of students have been drinking excessive amounts of high energy, caffeine based drinks. The most popular one at the moment is called "Mother", and I am concerned about the impact on students' health of excessive drinking. Some students are known to have been drinking up to six cans a day.

I am also concerned that students are buying these drinks from shops located across the roundabout, and are placing themselves in a great deal of danger when they attempt to cross the roundabout during peak traffic times. I have had a number of reports of dangerous and foolish behaviour by students who have been jumping in front of cars and behaving recklessly in traffic, not only on the roundabout, but on Myles Avenue and Queen Street as well.

Could parents discuss these issues with children?

Deputy Principal

STUDENT EXECUTIVE — ANZAC DAY SERVICE

Members of the Warners Bay High School Student Executive took part in the recent ANZAC Day service at Speers Point. Representing the school were Laura Robertson, Drew Jarvis, Jacob Reay, Fiona Webb, Josh Gill, Georgia Monaghan, Maddison Hull, Bianca Byrnes, Sophie Aked and Rachel Holmes, accompanied by Mr Best.

Fiona read the prayer at the service, while Georgia gave a speech about local man, Private Alfred Cressy from Boolaroo, who served with the Australian Imperial Force in World War I. Private Cressy was killed at the battle of Fromelles, with his body only being recovered and buried with full military honours in 2010. A wreath from the school was laid by School Captains, Josh and Georgia, with all participants invited to a breakfast hosted by the Boolaroo Speers Point Returned and Services League.

CHESS AND CHECKERS AT WARNERS BAY HIGH

All these competitions are going extremely well, and at the time of writing this article, we are up to major playoffs in all the competitions.

School Chess Team in the NSW Junior Chess League State Knockout Competition

Our school team has progressed the furthest we have gone since entering this competition. Last week we played Newcastle Grammar School in the Regional Semi-Final. To reach this stage, we defeated Belmont Christian College, Whitebridge High and Avondale Secondary School. We wish the team Super Good Luck with their forthcoming matches. Our 2011 School Team is: **Luke Sunol and Tyler Rodgers (12), Nic Blarasin (10), Hamish Broadhurst-Tynan (9) and Corey Sills (Reserve).**

School Chess and Checkers Championships

Both these within school competitions, which are held in our Library, are currently up to the Final Playoff stage. Results will be published in the next Bay Bulletin. We will be having a lunchtime presentation function early in Term 3 for all students who have participated in these competitions. Games in both competitions have been played in great spirit. It is unfortunate that, as in all competitions, everyone cannot be the Official Champion. Making new friends is an added bonus of playing the actual matches in these competitions.

In chess, due to the large number of entrants, we have

2011 School Chess Team:

Corey Sills, Hamish Broadhurst-Tynan, Nic Blarasin, Luke Sunol, Tyler Rodgers, Ms Sue Bright (Co-ordinator)

four divisions: Championship, Intermediate, Girls and Beginner Boys. We have been running our School Chess Championships since 2007. **Tyler Rodgers (12)** has been in the Final each year, and was Champion in 2007 and 2009. Will 2011 be his year again, or will **Luke Sunol**, also in Year 12 successfully defend the title he won in 2010?

We have run a School Checkers Competition this year for the first time. The divisions are: Senior Boys, Girls, Year 8 Boys and Year 7 Boys. The winner of each division will play off for the title of School Checkers Champion 2011, and the honour of being the first to have their name on the new School Checkers Champion Trophy.

A special thanks goes to **David Absalom**, who has been able to organise his University timetable to enable him to come to our Library on Thursdays to help mentor and coach our Chess players. Also, Thank You to Mr Doug Wright who assists with the development of the chess skills of our students, when he is teaching at WBHS. Their assistance and willingness to share their expertise is greatly appreciated.

NETBALL REPORT 2011

Congratulations to the Girls Open Netball team on their great effort and achievements in this year's CHS Knockout Competition. On Friday, 1 April WBHS placed 2nd at the Eastlakes Zone Gala Day played at Charlestown District netball Courts. WBHS defeated Lake Munmorah High, Swansea High, Hunter Sports High and Whitebridge High, and were narrowly beaten by Belmont High in a very tough and competitive game.

Success at the Eastlakes Gala led the team to the Newcastle/Hunter District Gala Day at the Newcastle Netball courts on Friday, 6 May. We defeated Toronto High in Round One and were unfortunately beaten by one goal in a very close game against Mt View High in the second round of the day. All of the girls played and represented the school very well. Great sportsmanship was shown at all times.

The team consisted of **Cassie Jewell, Georgia McVey and Georgie Taylor of Year 11; Abbie Johnson, Brittany Talarico and Jordyn O'Neil of Year 10; Ellie Mcvey, Maddie Taylor and Sabina Gomboso of Year 9; and Kim Trayhurn of Year 8.**

A big thank you to **Jade O'Malley (11)** and **Jayne Lussick (12)** for umpiring. Their time and effort was appreciated.

Congratulations to **Georgia McVey** for making the Hunter CHS Team. She will represent Newcastle/Hunter Schools in the CHS State Championships in Orange at the end of June this year. Good Luck Georgia.

Georgie Taylor, Georgia McVey, Maddie Taylor, Sabina Gomboso, Brittany Talarico, Cassie Jewell, Abbie Johnson, Ellie McVey, Kim Trayhurn, Mrs McAlpine. (Absent : Jordyn O'Neill)

LITERACY TIPS

"Outside of a dog, a book is a man's best friend. Inside of a dog, it's too dark to read." - Groucho Marx

The Apostrophe

There are two main uses:

1. The apostrophe shows **contraction** (reducing two words to one), for example, "will not" becomes "won't", "have not" becomes "haven't". The apostrophe usually takes the place of the letters taken out.
2. It also shows **ownership**, and here is known as the **possessive apostrophe**. The apostrophe comes after whoever owns the item in question, for example: "Adrian's train-set" or "Michael's brother Tim", or "David's mother's brother, Adam".

Problems often occur with distinguishing between the singular and plural: "the girl's pencil case" (single girl), but "the girls' trip to Queensland" (more than one girl). Plural nouns also cause problems but remember, the apostrophe comes immediately after the owner of the item: "the children's lego" or "the women's card game".
