100th HIGH SCHOOL  
 WARNERS BAY  
 cover designed by  
 Patrick Beacher

## PRINCIPAL'S MESSAGE

It's been a busy time with the Olympics but a busy time at Warners Bay High as well. May I congratulate **Alex Winner (12)** who won one of the most significant independent Australian Art Prizes, **The Moran Contemporary Photographic Prize - Secondary Schools Section**. A record 330,409 entries in all categories were received from across Australia. The 'Moran Prize' is the world's wealthiest art prize with a combined total of AUD \$300,000 in monies and prizes.

Alex was one of 16 finalists for the 2012 Moran Contemporary Photographic Schools Section Years 11-12 category. What was also exciting was that two other WBHS students **Maddison Moulton (12) and Lauren Moulton (12)**, were also in the 16 finalists from across NSW. What a fantastic achievement for WBHS students and the CAPA staff! All finalists' and semi-finalists works can be viewed online at [www.moranprizes.com.au](http://www.moranprizes.com.au)

What was also very exciting was that WBHS has now had wins in this prestigious national competition for three years out of four. Thank you to the CAPA staff in particular the Head Teacher **Mrs Trudy Farmer and Ms Donna Pfister** who assisted Alex with his entry. Alex's entry will be framed and hung with other national Moran Photographic prize winners **Wanagi Zable-Andrews and Tamara Schier** in our foyer. How clever are we?

Still in CAPA, congratulations to **Siobhan Hull (12), India Monaghan (10) and Sarah Stocker (11)** who, along with teacher **Mr Ashley Forbes**, were part of the Hunter Singers group who received one Gold and two Silver medals at the World Choir Games in Cincinnati. Wow! Well done!

Now on to the Basketball Court; congratulations to **Daniel Borbajo (12) and Jacob Rauch (10)** who played in the NSW Country Under 18's Mens Championships for the NSW Basketball Carnival. Their team the Newcastle Hunters Under 18's, were being undefeated and crowned the Basketball NSW Country Champions. Well done boys!

Congratulations also to **Dominic Bizzarri (12)**, who was selected in the NSW All Schools Football Squad which played in Townsville last week. Well done Dom!

Congratulations to **Laurence TeBay (11)** who has been selected for the National Youth Science Forum in January 2013. Well done, Laurence!

Congratulations also to **Josh Chock ((9)**, who was selected to play soccer in Singapore this September with Northern NSW Football.

A Step Closer. Last Year I took the opportunity to apply for the student welfare officer position under the National Chaplaincy Program. Our submission for Round 2 funding was successful however, the Chaplaincy Program was subject to a High Court Challenge and funding was suspended. Last week **Mr Phil Jones, President of the P&C**, received the paperwork in relation to the funding. I nominated the P&C as our incorporated body for receipt of the funds as the Federal Government requires receipt of funding. Phil and I signed the funding agreement and are hopeful the money will be released in the near future.

I applied for a Student Welfare Officer to work 20 hours per week to assist our full range of students, not just those

---

with behavioural or learning needs. When the funding arrives, we will have \$10,000 for the remainder of 2012 and \$20,000 for each of 2013 and 2014. Our funding allocation is \$55,000 which includes GST of \$5,000.

While we have been waiting for the program monies to be released, the executive have brainstormed the programs we currently operate to support and assist our students and identify where there are gaps in support. From this we have drafted a role statement for the Student Welfare Officer.

While we are waiting for receipt of the funding we will finalise the role statement for consideration at the next P&C Meeting on 28 September and begin the recruitment process. This will be a part-time position of up to 20 hours / week for the remainder of 2012 and all of 2013 and 2014. An expression of interest including the qualifications and expertise requirements of the position will be published in the next Bulletin and promoted to the school community. Once we finalise the qualifications and role statement please promote the concept to suitable applicants.

**Empowering Local Schools (ELS).** As you know from the previous Bulletin we have been selected as one of 229 schools to pilot the ELS project. As this stage, we know we will be trialling the new LMBR processes for administration, financial management and student record keeping. This process will begin in Term 4. Currently key personnel from SASS and the teaching service are undergoing training.

We have received our one-off \$50,000 grant as part of the trial process. This has settled nicely into our bank account and we can use in whatever way we determine best meets our needs. It's not enough for 6 permanent classrooms and a performance space to replace our demountable city (which is my dream that I won't give away), so we will need to determine other priorities. (It doesn't hurt to dream especially in the year of the Olympics!)

Staff and parents (through the P&C) have been briefed on the ELS program - as much as I know at this stage - and we have commenced our "big picture" thinking.

My question to staff, parents and our community is this... "If we could make a change to what we currently do to make our school better for students and their learning, what would we do?"

Let's not worry at this stage if we have the authority to do things radically differently, let's just dream of the desired outcomes. If you have any ideas, please email them to me on [sharon.parkes@det.nsw.edu.au](mailto:sharon.parkes@det.nsw.edu.au) and I will add them to our growing list.

The ELS will give us more flexibility to meet our needs. If you want to know more, please regularly refer to the DEC website <http://www.schools.nsw.edu.au/news/els/index.php> for the latest information.

In Term 4 we will 'see' our new **Resource Allocation Model (RAM)** which will give us the scope to try new ways of do-

ing things to meet the learning needs of our students both now, and into the future. We live in exciting times!

In the meantime, while we wait for more resources to meet our needs, may I thank the hundreds of parents and families who have paid both their subject contribution fee and school contribution fee. The subject contribution fee pays for consumables over and above minimum course requirements to allow students to gain valuable skills and experiences in various courses. These consumables are purchased locally and we must pay our bills, so thank you to those parents and families who have already assisted us with this process.

School Contributions are a voluntary fee which allows the school to purchase equipment and resources above the minimum standards provided to us through the Department of Education and Communities (DEC). Last year we purchased many additional resources for students including musical equipment, a music trailer for our band, air conditioning for another 6 classrooms, additional seating, sound-proofing of 3 classrooms, data projectors such that nearly all classrooms now have a data projector and much more. These funds, together with the fantastic donation of \$..... from the P&C ensured that Warners Bay High School students have the best resources to support their learning.

If you have not had a chance yet to pay your School Contributions or you hadn't realised how much we need your support, please pay what you can before the end of the school year.

Parents who need financial assistance for Subject Contributions, uniforms or books, should enquire at the front office for an application form. Your privacy will be respected.

A new permanent staff member. Recently the merit selection panel of Mr Phil Jones (P&C President), Ms Peta O'Keefe (Head Teacher Teaching & Learning) and myself selected **Ms Hayley Cummins** from a strong field of applicants for the English/Drama position. This position replaces **Ms Marie Darroch** who has retired and who is very much missed by our budding authors and gifted and talented writers. Ms Cummins, who is now on Maternity Leave, will join our staff early in Term 1, 2013. We look forward to having Ms Cummins on board with us in a permanent capacity next year.

Finally, may I encourage you to encourage your child if they are aged between 15 and 19 of age to participate in the **Mission Australia's 2012 Youth Survey** which can be undertaken in the student's own time until it closes on Friday, 17 August. The survey is available online and can be accessed at [www.mayouthsurvey.com.au](http://www.mayouthsurvey.com.au)

In summary, there is a lot happening this term (as always), particularly as we prepare our students for the HSC. Thank you for your ongoing support.

**Dr Sharon Parkes**  
**Principal**  
**August 2012**

# CAPA FACULTY

**Well Winner was the Winner!** For those who haven't logged on to the school website or noticed the school sign, **Alex Winner**, Artist of the Month for the month of April, HSC Visual Arts and Drama student, and really just a clever young man, has won the much coveted **National Moran Photographic Prize**. Over 9,000 entries were received nationwide and Alex won! Alex received a cheque for \$5,000.00 which he happily paraded around with for days until it was suggested he should bank it! **Sarah Coleman, Maddie Moulten and Lauren Moulten**, all of Year 12 (no they are not sisters), were also finalists in the senior section. **Kirra Davey, Emily Jeffs, Jesse Landrigan and Bethany Woodhouse** of Year 10 were finalists in the junior section. Very big congratulations to these very clever and talented students.

The continual success of Warners Bay High School in this competition is a testament to the cleverness of our students and the teaching prowess of the faculty. Well done!

**Jye Blackman and Peyton Stevenson**, members of the Year 10 Photography group, were both chosen for an Excellence in Art award by the organisers of the **Write For Fun** competition and will have their photographs featured in the published work, **Art Attack**. This places them in the top 5% of this national competition and again reflects the clever and creative nature of the staff and students at WBHS. Particular thanks to **Mr Michael Kondov** for his efforts with these students and all of the other Year 9 and 10 students who entered this competition.

More success for our visual artists with the Year 10 Ceramics class exhibiting their work in the **Morpeth Tea Pot** exhibition from Thursday, 16 August to Sunday, 26 August. These students have been working with **Ms Armstrong and Mrs Pfister** to create wonderful and exotic examples of contemporary Tea Pots and it is a reflection of the creative environment that exists in the Ceramics room that these students

are invited year after year to be a part of this professional exhibition. I would like to thank Ms Armstrong for her continued support of our students in this exhibition.

Students from Year 10 Ceramics exhibiting their teapots at Morpeth this year are:

- |                 |                  |
|-----------------|------------------|
| Darcie Anderson | April Gialouris  |

| Emily Curtis    | Belle Stewart    |
| Georgia Fisher  | Jessica Stocker  |
| Sam Garland     | Kate Stocker     |

**Artist of the Month for August is Kelsey Davey.**

Congratulations and keep up the great work. What a clever girl and only in Year 7!

On Sunday, 22 July the **WBHS Concert and Stage Bands** travelled to the University of NSW to perform at the NSW Band Festival. Both bands performed exceptionally well and were excellent ambassadors for the school, with each band receiving a bronze award for their performances.

The Concert Band was also awarded the NSW Band Festival Development Award. They will receive an exclusive 1 hour performance workshop with Sydney band expert, Simon Thew. Approximately 40 students from Years 7 to 11 were involved.

On Friday, 10 August, the Concert Band was also involved in a performance at the Newcastle Town Hall with Eleebana

Public School. On Saturday, 18 August, they also played at the Electric Vehicle Festival on the Newcastle Foreshore.

Our next play out will be at **The Hunter Region Bandfest** at the Lake Macquarie Performing Arts Centre in Week 2 of Term 4. A very big thank you to **Mr Chris English** for his tireless efforts with both bands.

Our Drama students are participating in both the senior and junior **Dramaworks** in Newcastle. The students will be participating in workshops with professional tutors working on a variety of theatrical conventions including the Art of Puppetry, movement based Flashmob, Zen Zen Zo, Biomechanics and Vocal Soundscapes.

**Kelsey Lee** of Year 11 has also attended a workshop experience at the National Institute of Dramatic Arts (NIDA). This was a wonderful experience for Kelsey and she is to be commended for her skills and dedication to her acting.

Congratulations to our **Dance Festival Group** who successfully participated in the 2012 Hunter Regional Dance Festival. They, as always, conducted themselves in a sophisticated and mature manner and danced beautifully. A very big thank you to **Mrs Rhonda Grant** for her tireless efforts with this group.

# CHAPMAN OPTOMETRIST

464 THE ESPLANADE  
WARNERS BAY  
4948 5069

Since 1980

It is time for our Music, Drama and Visual Arts HSC students to perform or resolve the practical components of their HSC course. We wish them the best of luck. A very big thank you to **Mr Ashley Forbes**, Year 12 Music, **Mrs Sandra Monk**, Year 12 Drama and **Mrs Renae Rogers and Mrs Donna Pfister**, Year 12 Visual Arts, for the dedication and care that they have given to these students.

Our **HSC MAD Night** will be on **Wednesday, 29 August**. You can view the artworks and listen to selected performances from our very talented HSC cohort. Viewing of the artworks will commence at 6pm with musical and drama items starting at 7pm. A gold coin donation can be made at the door. We hope to see many members of our school community at this wonderful evening.

Lastly, but by no means least, the CAPA Faculty farewelled two very dear and clever members of staff in the last term. **Mrs Kath Teagle** has left us to pursue her business ventures and we wish her all the luck and success in the world. Kath was a very important part of our faculty and she is very much missed.

We have also reluctantly said goodbye to **Mr Michael Kondov**. Michael was successful at interview for a permanent position as a Visual Arts teacher at Newcastle High School and whilst we are very glad he now has a permanent job, we really can't believe he has gone from our fold. We wish him all the best. It is a testament to Michael's abilities as an educator that he was chosen for such a sought after position. To say that the staff and students miss both Michael and Kath is an understatement.

**Ms Trudy Farmer**

# LANGUAGES

## TDL Students

Merci beaucoup to the generous families of **Lachlan Selby, Brendan Schrader and Xavier Koutelas** who hosted our three French boys this year. We can vouch that they were excellent “teachers” in our French classes (with rapt attention paid, particularly by the girls...) and had their self-introductions in French down pat by the end of their two weeks at school. Hopefully next year we will get some French girls to redress the imbalance.

## The Trips

The countdown is on now – the days are being ticked off in the language rooms for the trips to Japan and France in the September holidays. Orientation lessons are being completed in the next two weeks and the more organised of the students (and teachers) are starting to pack their “baggages”. Both trips are leaving on Thursday, 20 September. Take care of Dr Parkes, she will finish the Year 12 Graduation Formal at midnight and then have to be on the coach to Sydney at 4.00 a.m! No guesses for who will sleep the longest on the plane... Watch this space for trip reports and lots of photos in the next Bay Bulletin.

**Ms L Sherwood**

**Head Teacher LOTE**

# SUGINAMI VISIT 2012

Twenty nervous Japanese students from our sister school in Tokyo arrived at WBHS on 25 July to participate in a ten day Home Stay program.

Most of our Year 10 Japanese Elective class plus two kind non-Japanese learners hosted these students and showed them what the Australian lifestyle was all about. The Sugunami students were able to enjoy our sunny winter weather, sausage sizzles, fish’n’chips, a jetboat ride on the lake and dolphin cruise, and see all our unusual Aussie animals at the Reptile Park. They tasted and loved pavlova, fairy bread and chocolate crackles but failed to appreciate the delicate flavours of Vegemite and licorice! They were introduced to Aussie slang (among other choice phrases). and showed how good they were at video games.

The ten days passed so quickly and judging by the emotional farewells on their last day, this was a very successful exchange visit. Many friendships were made during this visit and hopefully they, and our sister school relationship, will continue to flourish in the future.

**Ms K Holmes**

**Language Teacher**

## ENGLISH

The English faculty have been very busy in recent weeks with the Year 12 Trial and a workshop on Macbeth for Year 10. Year 12 students will also complete their last assessment task in Week 5 and are busy preparing their speeches. Our Extension II students are also in the process of completing the final editing of their HSC Major Works. The Year 8 Creative Writing Elective is also underway this semester and we are looking forward to reading the results of their efforts later in the year.

We have also been busy moving into our new demountable classrooms at long last. We are so pleased they have finally arrived, as they provide a much improved environment for both staff and students.

**Our Years 7 and 8 Debating Teams** participated in the Premier's Debating Challenge, with each team winning one debate. Our Year 9 has been knocked out, but Year 10 has moved into the quarter finals. Congratulations to all our teams on their good sportsmanship and the effort they have put into developing their skills.

I would like to ask parents for help with ensuring that their students return their English textbooks promptly. Presently, each of the Years 7 to 10 are undertaking a novel study. We have been experiencing some issues with students not returning English textbooks. All English textbooks are barcoded and borrowed through the library borrowing system. Students' names are also recorded in the front of the textbook. When books are not returned it often means that there are not enough texts for other classes. When students receive overdue notices they often respond that they have returned the book however, this is highly unlikely. Could parents please encourage students to look for the missing text books and return them to the library promptly, so that other students don't miss out?

There are performances for **Year 10, Heroes** [23 August], and **Year 8, Monty Pryor** [28 August], later this term. There will also be a workshop for talented Year 10 writers run by the Hunter Writers Centre in early August.

**Mrs S Dobbie**  
**Head Teacher English**

## *Year 12* *Graduation Ceremony*

**Wednesday**  
**19 September 2012**

*Congratulations*  
*& Good Luck*

Family and Friends of all  
Year 12 students are cordially  
invited to attend Year 12's  
last official function  
at school.

This is a day to congratulate  
the many students who have  
done well and to farewell  
Year 12, 2012.

*There is a dress code*  
Girls – white button-through shirt,  
school skirt, black stockings and tie

Boys – black trousers, white shirt  
and tie

The ceremony begins  
at 9.15am sharp.

Please be seated by 9.00am.

Year 12 students and parents  
are invited to a breakfast at  
school from 8.00am.

*Lynne Sherwood*  
*Head Teacher DOTE*

## FROM THE SUPPORT FACULTY

The Support Faculty has been fortunate in gaining an additional 0.5 Learning and Support Teacher (LAST), Mr Chris Maher, who has been an Itinerant Teacher at WBHS and its partner primary schools for a number of years. As the LAST, Mr Maher will complement the Support Faculty in providing additional student support in all areas of learning and behaviour. Mr Maher comes to us highly qualified and is a valued member of not only the Support Faculty, but Warners Bay High School.

As Head Teacher Welfare, I have been co-ordinating the 'SHINE' program held at the Willow Uniting Church and implemented by a highly committed and well-trained team of youth workers. SHINE is not a religious program, however, we are grateful for the Willow United Church in allowing us to use their facilities. Due to the success of the program and positive outcomes achieved by students, the Newcastle Rotary Group have kindly donated \$700 towards the future implementation of the SHINE program.

We are now coming up to an important time of the year for students entering Year 7 in 2013. This time of the year evokes many fears and worries for parents as their children leave Primary School and enter the world of High School. Worries about safety issues on the road and on public transport, isolation when at home alone and peer pressure resulting in risk taking are all common concerns parents have about their children.

### WHAT TEENAGERS THINK PARENTS WORRY ABOUT

Young people were asked in a survey to list what teenage issues they thought parents worry about (A. Fuller, 2004). They thought the teenage issues parents worried about the most included drugs, education, alcohol, peer influences, safety while socialising, sexual activity, making wrong decisions, immorality and diet. Interestingly, their children's happiness was not one of the things they thought parents worried about.

### SOME BATTLES NEED TO BE FOUGHT HEAD ON:

At least a third of young people worry and it may be that worrying is helpful in preparing people in case bad things happen to them. However, too much worrying can stop young people from attempting new activities and 'having a go'. It is useful for parents to show young people how to overcome fears and worries where it is possible and safe to

do so.

As children get older, their worries become much more specific and more complex. Before they reach school age, children tend to worry about imaginary and supernatural threats such as monsters, as well as separation from parents. Early primary school children worry mostly about threats to their physical wellbeing, but by late primary and early secondary school the worries shift. At this stage, young people are more likely to be concerned about their social standing with peers, and their level of ability at school. The large majority of students in high school have high levels of anxiety over their ability to manage their school work, complete assignments and homework, and pass their exams.

### WHAT CAN WE DO ABOUT IT?

Warners Bay High School has an enormous amount of support available to assist our young people, from even the early years in secondary schooling to develop educational resilience and reduce anxiety. By working collaboratively with families, students and the school, students can be shown ways to reduce their levels of anxiety and increase their confidence in managing school work.

Personnel are available to support students including Year Advisers, the Head Teacher Welfare and Learning Support, Learning and Support Teachers and programs such as the school's Homework Centre for students and parents. As students enter Year 7 and throughout the early years of high school, important habits can be formed through consistency and encouragement. Simple study techniques including daily revision and study, promoting learning as a fun activity and setting goals are some of the many ways we can prepare our young people early so that the worries and anxieties about assignments and exams later in secondary schooling can be minimised.

Having a well-balanced lifestyle with a combination of family time, fun time with friends, sports and hobbies and school study will make a huge difference to how your child manages the challenges throughout high school.

Most importantly we must remember that it is our child's happiness that matters most!!!

Learning and studying can be fun. Why not encourage your child to come along to the Warners Bay High School Homework Centre???

**Mrs J Riley**

TROUBLE GETTING THE KIDS TO  
DO THEIR HOMEWORK????

...WBHS HAS THE ANSWER!!!

# Homework Help Learning Hub

runs from 3:20 – 5:20pm,  
Tuesday and Thursday afternoons  
between weeks 2 and 9 each term  
except Term 4 when it finishes in week 6.

It is available for students on a show up and  
take advantage basis.

Afternoon tea is provided.

Students may use the time for quiet study and use of library facilities, to get help with homework or to go over work from class. Mr Briggs, who provides tutoring support to the school will be running a **Junior Work, Study and Time Management Skills course** during Homework Help over the next few weeks. He will run a similar course at a senior student level next term.

Homework Help is supervised by our dedicated School Learning Support staff, assisted by volunteer education students from the University of Newcastle and senior WBHS students. It has developed a wonderful community atmosphere where students from all years can help each other out. Often the younger students can take advantage of the first hand knowledge that our older students have of various assignments and assessment tasks.

The Learning Hub is an area where the school **welcomes the input and assistance of the community**. If you are able to lend a hand with Homework Help it would be greatly appreciated. Often the students just need assistance to interpret a question. The more help, support and involvement we can offer, the better for all.

Please email [patricia.hendrie@det.nsw.edu.au](mailto:patricia.hendrie@det.nsw.edu.au) or leave a message with our administration staff on 49549488 to register your interest. Senior students wishing to volunteer can contact Ms Hendrie (CAPA) or Mrs Conroy (SLSO).

*As the Homework Help Learning Hub is  
partially funded by our wonderful P&C, this  
service is free to all students.*

## MATHEMATICS FACULTY REPORT

The term started off with Year 12 doing their Trial HSC Examinations. The staff are busy at the moment marking and providing feedback to students. It is important that Year 12 students complete past examination style questions – there are books of past papers and solutions available. This is very important preparation for the HSC Exams. Any student who needs a copy of these should see their Mathematics teacher.

We welcome back **Mr Hicks** after his leave. He is familiarising himself with his classes. Please be advised that most students receive some form of Homework in Maths. All Years 7 and 8 students were provided with a specific homework book which the teachers use to set specific homework. Please ask to have a look at your child's homework book.

Recently **Mr Morrissey** organised the annual Westpac Mathematics Competition. There were approximately 50 students who entered and this was pleasing. We are anxiously awaiting the results as the students are aware of the importance and significance of receiving a certificate in these competitions.

The University of Newcastle has recently developed a program of Enrichment for Years 9 and 10 students. **Mr Furner and Mrs Drummond** have been attending the University every second Wednesday with **Clifford TeBay, Georgia Fisher, Luke McIvor, Sam Harden and Caitlyn Reeves** all from Year 10. The program is based on certain topics that students may come across in future years when they attend University. The topics include Fractals, Number Molecules, Spatial Geometry and Reasoning. The program is excellent and is so valuable for future University Students. It is disappointing, however that no Year 9 students took up the opportunity.

**Mr Jamie Furner**

**Head teacher Mathematics**

# SOCIAL SCIENCE MARINE STUDIES

Year 8 Marine Studies get out and about! They showed themselves to be competent swimmers in the heated pool at Coughlan's Swim Centre and now know enough CPR skills to feel confident to act in an emergency.

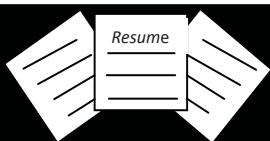

The Year 8 class had a number of opportunities to catch and collect marine specimens at the Warners Bay Jetty. Students employ catch and release practices in most cases, but we do collect specimens for classroom study which are returned back to the lake after a number of weeks to ensure the fish do not forget how to catch their own food.

The Year 8 Marine Studies classes have all lessons in the rooms with fish tanks to take advantage of the calming qualities the fish bring to a classroom. Students learn how to maintain an aquarium and about how to feed the fish regularly a diet of finely cut up fresh fish. We are pleased to say we have not lost a specimen yet and thanks to the Year 9 Marine Studies class, all tank specimens were safely returned back to the lake at the end of Term 2.

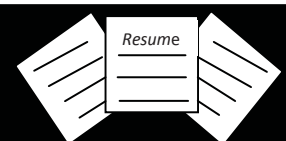

**Ms D Weston & Ms H Saperas**  
Teachers - Social Science

## REVIVE YOUR RESUME

ABN: 74 198 044 817

**Are you due to finish School at the end of the year?**

You, along with thousands of other students will be finishing school together and all applying for casual, part time and full time work. How will you stand out from all the other students and get noticed?

# YEAR 9 MARINE STUDIES WETLANDS EXCURSION — SOCIAL SCIENCE

On Friday, 10 August, 2012 Year 9 Marine Studies students attended an excursion to the Hunter Wetlands Centre at Shortland. The students enjoyed a one hour canoe activity on the natural waterways of the wetlands. Many students displayed a natural ability at this activity and there was only one canoe which ended upside down, much to the amusement of the students. The next hour was spent completing fieldwork in the main pond area using scientific instruments to assess water depth, turbidity, pH level and the range of aquatic animals in the area.

Mrs H. Saperas (Social Science teacher)

## LAW WEEK

18 May, 2012

Year 10 Commerce attended Law Week at the Newcastle Court House for Commerce & Legal Studies students in the Hunter Region. The students had an opportunity to watch a criminal trial in the Supreme Court with a Supreme Court judge and jury. The Year 10 Commerce class are an enthusiastic and engaging class and this was the quietest they have been in the last 3 years I have had the pleasure of being their teacher. The behaviour of the class was exemplary as always and excellent feedback was received from the staff who organised the excursion. The class participated in a range of activities at the Court House and **Mark Peters** represented our class in a role play by the Community Justice Centre.

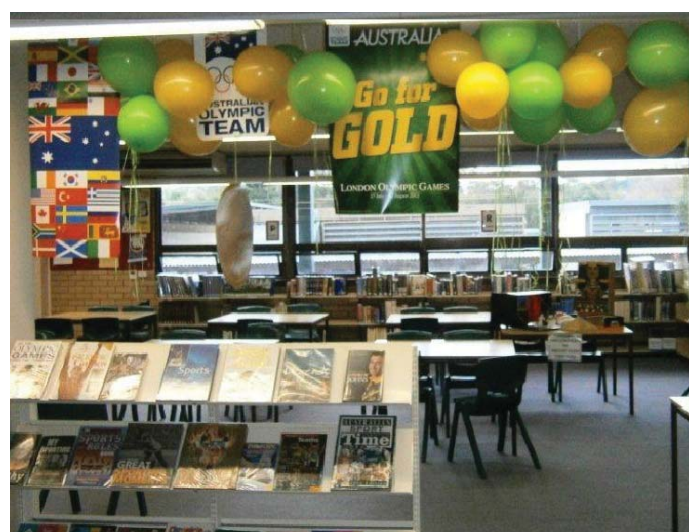

# INSPIRATION DURING THE OLYMPIC GAMES

The Olympic Games is a time where we are all inspired by the mental and physical abilities, sacrifices and achievements of World Olympians. We are celebrating the Olympics in the library with books which feature Olympians and Sporting Champions.

To tie in with the Olympics we have an Inspiration Wall where there are interesting photos of books and people reading them.

Our readers have been set the task of writing a humorous or serious caption for a photo of their choosing. Winners will be announced soon.

**Mrs Bright and Mrs Clarke**  
**Librarians**

# CHESS AT WARNERS BAY HIGH

## School Chess Championships

Our School Chess Championships have now finished. 28 students across Years 7-12 entered this competition. The competition was played in three divisions: Championship, Intermediate and Beginners. A round robin competition was played, followed by playoffs for Champions and places in each division. Games were played in excellent spirit, and all students are to be congratulated on their involvement in the competition. A presentation lunch for all students who entered the competition will be held later this term.

Placegetters in each Division:

	CHAMPIONSHIP	Year	INTERMEDIATE	Year
<b>1st</b>	Mitchell Dunlop	10	Connor Croese	9
<b>2nd</b>	Corey Sills	10	Louy Bonnay	7
<b>3rd</b>	Liam Gleeson	10	Henry Humphrey	9
<b>4th</b>	Lloyd James	8	Rhys Harrison	9
<b>5th</b>	Hamish Broadhurst-Tynan	10		
<b>6th</b>	Clarine Cherry	12		

## BEGINNERS

	BOYS	Year	GIRLS	Year
<b>1st</b>	Harrison Whitfield	7	Clarine Cherry	12
<b>2nd</b>	Dylan Hughes	8	Raelene Cherry	9
<b>3rd</b>	Liam Munns	7		
<b>4th</b>	Nick Kimberley	7		

Once again, on behalf of our students I would like to publicly thank David Absalom (ex-student and WBHS Chess Champion) and Mr Doug Wright (Casual TAS Teacher) for their coaching, encouragement and mentoring of our students. Your assistance is greatly appreciated.

## One Day Round Robin Chess Tournament

This is the first time we have entered a School Team in this tournament. It was played at Callaghan College, Waratah Campus, in a Round Robin format. This is the first time our students have used chess clocks. Each student played 6 matches, with a time limit of 15 minutes per player per match. Twelve WBHS students entered this competition. Each WBHS student had a least two wins. As Chess Co-ordinator, I want to particularly congratulate all our students

who participated. There was wonderful team spirit and friendship shown between all our students. As an added bonus, Warners Bay High School won the day on a countback from Callaghan College, Waratah Campus. Our top five players from this day will progress to the State Semi-Finals of this tournament.

Placegetters from our school included:

Position	Name	Year
3rd	Mitchell Dunlop	10
4th	Lloyd James	8
7th	Henry Humphrey	9
8th	Louy Bonnay	7
9th	Connor Croese	9
12th	Liam Gleeson	10

*Jacob Taylor, Jake Bates, Chris Bult and Mr Wright*

**School Team in One Day Tournament – Back: Nick Kimberley, Raelene Cherry, Dylan Hughes, Sam Bancroft, Lloyd James, Liam Gleeson and Connor Croese  
Front: Louy Bonnay, Curtis Yates, Mitchell Dunlop, Henry Humphrey and Reese Mackaway**

*Mitchell Dunlop, David Absalom (School Chess Mentor), Hamish Broadhurst-Tynan and Henry Humphrey*

**WBHS School Chess Champion and Runner-Up -  
Mitchell Dunlop and Corey Sills**

# WARNERS BAY HIGH SCHOOL P & C ASSOCIATION

The next meeting of the Warners Bay High School P&C Association will be held in room H1 on Tuesday, 28 August at 7.00pm for a 7.30pm start. At 7.00pm we will again start with some social time where everyone can talk over a drink and something to eat.

We had a great turn out at our July meeting which generated some very constructive discussion and made for a very enjoyable and informative meeting. We would like to thank Ms Rachel Noonan for her informative talk on the Social Science Faculty and the great work they are doing. This presentation showed how the school provides opportunities for all students interested in the social science disciplines.

The school canteen is operating smoothly again this year. Another donation from the canteen has enabled the P&C to fulfill all of its term commitments already plus provide a bonus donation to the school. This brings our total school donations so far this year to \$50,000. This will enable the P&C to fund additional items in this year's budget. I would like to thank Wendy and the dedicated volunteers for their efforts. Volunteering on the canteen is one way to support your child and keep up to date with what's happening at the school. If you have a free day once a month, why not volunteer on the canteen? Wendy is always happy to welcome any newcomers.

We would like to extend an invitation to all to attend our next meeting. A member of the TAS Faculty will be doing a presentation. Come and use this opportunity to get to know the Principal, some of the school executive and other parents in the relaxed atmosphere of a P&C meeting. Your support will help to ensure the success of Warners Bay High School.

We look forward to your continued support and hope to see you at our next meeting.

**Phillip Jones**  
President

## SRC NEWS — JEANS FOR GENES

The Student Representative Council has once again coordinated a very successful fundraising activity. The SRC, students and staff at Warners Bay High raised \$711.20 as part of Jeans for Genes Day held on Friday, 3 August. This donation will help with medical research on childhood illness and disease. Thanks to all of those people who supported this worthwhile campaign.

CBD

## PERMISSION TO PHOTOGRAPH

Dear Parents/Carers,

During the course of the school year there are occasions when photographs of groups of students are printed in local newspapers or school publications, and images are also presented on our website. It is the Department of Education and Communities' policy to obtain permission from the parent/carer for these photos to be included in such publications.

With a school size of approximately 1350 students, it is quite time consuming to telephone parents on each occasion to gain permission. Therefore, I would like to ask all parents/carers who do **not** wish their child to be photographed under any circumstances, to please inform us in writing as soon as possible.

For individual photographs and interviews, students will continue to be asked if they are prepared for the photograph and/or interview to occur, and parents will be contacted.

If you have any queries please do not hesitate to phone us on 0249 549488.

Dr Sharon Parkes

To thank you for your support of the  
school's uniform, our suppliers

# SPORT REPORT

## Rugby League Report

Teams from Warners Bay High competed in all age groups in the Knights Knockout competition. In the Under 13 competition the boys participated with spirit, which was a credit to Warners Bay High School. The boys had one draw, one loss and one win to narrowly miss the opportunity to progress to the second round of the competition. All the boys participated well with **Reece Lonsdale** and **Daniel Baker** leading from the front. This team has a lot of potential and camaraderie and with more training, progress can be made.

In the Under 14's competition the boys participated strongly, but were just pipped at the post by Whitebridge High School. The boys won all their games, but it was revenge for a strong Whitebridge outfit that was beaten by the Bay in the first round of the Buckley Shield U14's competition. Throughout both competitions the boys competed hard and played with enthusiasm, but silly errors proved costly. The best for the Bay where **Jacob Doherty**, **Harrison Booth** **Jack Smedley** and **Kennan Marsden**.

The U15's boys remained competitive during their competition, despite a lack of numbers. The boys who played showed a lot of spirit and heart to compete against other teams with full rosters. **Darcy Lemmich** and **Connor Manning** both played well for Warners Bay, but I'm sure they would be happy for the full team named to be joint 'MVPs'.

The U16's boys were the last team to compete in the Knights Knockout. The boys came up against some strong opposition in Whitebridge, Belmont and St Marys High Schools. This team played with enthusiasm, but it was not enough

for the team to progress to the second round. **Jake Arnott**, **Frazer Price** and **Sam Jenkins** performed well for the Bay.

Well done to all the boys who played for Warners Bay High School. All played hard and fair, while exhibiting excellent sportsmanship.

## Bill Turner Cup and Trophy Football 2012.

Warners Bay High School 15 Years Boys and Girls have been involved in the annual knockout competition. Rounds 1, 2 and 3 are played in the form of Gala Days and the Warners Bay students were involved heavily.

The boys team played Rounds 1 and 2 on the same day playing West Wallsend High School in Round 1 and St. Mary's High School in Round 2. The team played magnificently in both matches winning both games comfortably. West Wallsend were dismissed 3-0 in the first game with goals from **Austin Mahoney**, **Reece Pettitt** and **Sam Cooper**. The game, however, could have been different if captain and goalkeeper Jake Hamilton had not saved a penalty.

In Round 2 the boys dominated from start to finish. Although goals were difficult to come by, it was always clear which team was going to win. After 0-0 at half time the boys came out in the second half with much more attacking flair, with the inclusion of **Reece Petit** in the front 3. Reece made himself a big target and the game was soon won after a spree of goals came thick and fast. **Sam Cooper**, once again, was on the score sheet and a finely taken goal by **Matt Parker** sealed the game.

In Round 3 the boys played against St. Paul's, with the winners facing the prospect of playing either Whitebridge or Hunter Sports High in the Hunter final. The boys were very confident of a victory, however they were shocked by St. Paul's power and pace all over the park and found

??

ASSOCIATION AND YEAR 12

TRIVIA NIGHT

When: 24<sup>th</sup> August 2012      Where: MPC  
Time: 6.30pm for a 7.00pm start  
cost: \$10.00 per head

8 people to a table: - Singles welcome

BYO: Nibbles, drinks. No Alcohol Allowed

themselves 2-0 down at half time after two break away goals were scored by the opposition. The boys were shell shocked and could not claw back the deficit and, with injuries to key players, went down 4-0, conceding another 2 goals in the second period. Well done to all the boys involved.

The girls were drawn against Swansea in Round 1 and were convincing winners, scoring five goals in total. Goals were scored by **India Coloton (2) Kate Eades, Zoe Bevan and Bailey Elliott**. In Round 2 the girls fought out a very tough match versus Whitebridge High. The girls held all the possession and scored early through pocket rocket **Rachel Jeffs** who slotted the ball home minutes into the start of the game. It took a wonder goal from **Kate Lindsay** to win the tie and round up a player of the match performance. The defence was solid and this was overall a very good performance.

In Round 3 the girls met St. Paul's High School on a wet afternoon. The girls were more concerned about the smell of the shirts than playing, as they had to use the shirts that the boys had played in the game before!! We definitely need a new kit. The girls soon settled down and listened to some coaching points from Mr Jones and went out with a positive attitude.

The girls were once again dominant and battered the St. Paul's defence, but were unable to make the breakthrough. The passing and movement by the girls was excellent and it was only a matter of time before the girls scored. The goal was scored by Year 7 **Georgia Cook**, who was outstanding in the match and followed up this goal with another 3 goals to make her player of the match. A fifth goal was scored by **India Coloton**, Georgia's strike partner, who also performed really well. The girls played magnificently and go marching on to Round 4, where they were to play Hunter Sports High School.

The Hunter Sports High School's team is the current holder of the girls Bill Turner Cup trophy and it looked like an uphill task for our girls. The girls were really nervous going into the game and were lacking in confidence due to the reputation of the opposition. Hunter Sports were very strong and it wasn't very long before they were ahead. The Warners Bay High School girls worked really hard and played to the best of their abilities. The opposition piled on the pressure and they were clearly a top class team. There was a flood of goals as our girls worked tirelessly to contain them. Unfortunately, a win was out of the question and it is likely that Hunter Sports will once again go all the way in this competition. The girls were defeated and deflated after a heavy performance; however the pick of the bunch was **Chloe Hepplewhite** who was outstanding on the day.

Thank you to all those student who participated in both teams.

### Regional Athletics

Congratulations to all competitors who recently competed at the regional athletics. The following students will be competing at State Athletics in early September. **Jake Bates,**

**Jessica Bingham, Daniel Bos, Ethan Grine, Mikeelie Jeffs, Hannah Kelly-Moore, Ellie McVey, Reece Papadimitrios, Jessica Potts and Jordan Pryke.** We wish them all the best.

### State Cross Country

Congratulations to all of our students who competed recently at the State Cross Country Carnival at Eastern Creek recently. **Jake Bates** was our most successful athlete receiving a silver medal in his event.

### Netball Report

The girls Open Netball Gala Day for round 1 consisting of 5 games of the CHS knockout competition was held on Wednesday 14 March at Charlestown District Netball Courts. After being postponed twice, we finally struck it lucky and the weather was perfect. The girls played extremely well and the ability in our team was obviously a class above the rest. Warners Bay High were undefeated and advanced to the next round as Eastlakes Zone's team number 1.

The results of the gala day are as follows:-

- Warners Bay v Belmont – 19-14
- Warners Bay v Whitebridge – 21-12
- Warners Bay v Swansea- 28-10
- Warners Bay v Hunter Sports – 23-10
- Warners Bay v Lake Munmorah – 47-4

We then advanced to the regional carnival at Newcastle District courts on 23 March to play rounds 2 and 3 of the CHS knockout. Warners Bay defeated Great Lakes High in round 2, although we were narrowly defeated by Merewether High in Round 3.

The team consisted of **Georgia McVey, Jade O'Mally, Abbie Johnson, Brittany Talarico, Jenna Ward, Mikaela Ryan, Jordyn O'Neill and Ellie McVey.**

# UNIFORM SHOP TALK

## 20% OFF SALE

The big news at the Uniform Shop is our 20% off sale! It is only on for four days, so make sure you come in and make some great savings. Everything in stock is discounted.

The sale will be on the following days only;

Wednesday, 12 September 8am – 12:00pm

Thursday, 13 September 12:00pm – 4pm

Wednesday, 19 September 8am – 12:00pm

Thursday, 20 October 12:00pm – 4pm

To avoid lining up for the change rooms, come in before the sale days with your child to try on uniforms. Just remember there will be no refunds or returns on items bought at the sale, so please choose carefully.

## SENIOR JERSEYS

As we head towards the end of the year it is time to start ordering senior jerseys. They may be ordered by current year 10, 11 and 12 students. They are long sleeved and will have the name of your choice printed on the back. The name is to be no longer than 12 characters and will be printed in upper case. It can be a nickname as long as it is relevant to the name of the student. The shirts are to be paid for in advance at the office at a cost of \$66 each and your order form and receipt need to be handed in at the Uniform Shop where you can try one on for size. Order forms can be found at the Uniform Shop or front office or print off the one attached to the Bay Bulletin. All orders must be in by the last day of Term 3. No orders will be taken after this date.

## PRICE INCREASE

For the first time since the Uniform Shop opened up over five and a half years ago Daylight Sportswear have had to increase prices on some items. They include microfibre track pants, sport polos, custom polos, sport shorts, girls blouses and boys formal shirts. All other items will remain the same. The price increase will take effect from the start of Term 4. New price lists will be available from the Uniform Shop next term and can be previewed on the next page of the Bay Bulletin.

## SENIOR SHIRTS

Short-sleeved senior shirts are available at all times for \$35 each. They look great and don't show the stains as easily as the white ones. We have plenty in stock, so come in and pick up a few for summer.

## SOCKS

Have all your white socks been eaten by the washing machine? (I'm sure that's what happens to ours). If so, come in and buy half a dozen pairs and you won't have to worry about matching them up anymore because they all look the same! No more coming to school wearing odd socks. We have three sizes available so there is a pair to fit everyone.

## PAYMENT

Cheques can no longer be accepted, however payments can be made by cash or EFTPOS. Payment can also be made over the phone with a credit card and your child can pick up the order for you.

**Ms Yvonne Wade**  
**Uniform Shop Manager**
